

Mirpur University of Science & Technology, MUST Mirpur AJ&K

Department of Software Engineering

Net Centric Systems

Session: 2013-17

Section A+B

Assignment#1

Assignment Submission Date (Both Hard Copy and Soft Copy): 26 Nov, 2015

Presentation Dates: 27 Nov, 2015

Summary/Overview of the assigned research paper

5 marks

10 minutes Presentation

5 marks

Note: Similarity Index (SI) must be less than 20% in the Plagiarism report generated from Turnitin.

Group Number	Topic
Group 1	Security and privacy in cloud computing
Group 2	Cloud computing issues and challenges
Group 3	Cloud computing issues and challenges
Group 4	Cloud computing and grid computing
Group 5	Cloud computing and its key techniques
Group 6	Cloud computing and its techniques
Group 7	Cloud computing for its future generation
Group 8	Cloud computing issues and challenges
Group 9	Computing and its key techniques
Group 10	Cloud computing issues and challenges
Group 11	Security and privacy challenges in cloud
Group 12	Security and privacy challenges
Group 13	Cluster, grid and Cloud computing
Group 14	Security and privacy challenges in Cloud Computing
Group 15	Cloud computing Concepts, Architecture and challenges
